1965 UNIVERSITY OF MARYLAND BASEBALL PREVIEW

The University of Maryland's 1965 Baseball Team shapes up as one of the best in Maryland's baseball history.

Last year the Terps finished third behind the University of North Carolina and Wake Forest. The University of North Carolina and Wake Forest suffered heavy losses, but Coach "Jack" Jackson's team looks to be "loaded for bear."

With nine lettermen returning and the finest group of sophomores to come on the baseball scene in a long time, Maryland will be a definite threat to win its first Atlantic Coast Conference Championship.

In 1964, Maryland had the top-defensive club in the A.C.C. One of the key reasons for this top billing was senior Jon Kressig. Jon, a shortstop, thrilled the fans last year with his sparkling glove work. Another talented fielder is sophomore Larry Davis. Larry, from Baltimore, is a first baseman who swings from the left side of the plate. Besides being outstanding players, both of these lads are honor students at the University.

At second base, Captain Tom Bichy, a junior, will be stationed. Both Kreissig and Bichy live in Frederick, Md. Bichy only committed one error last year and hit a handsome .314.

At the third base corner, Maryland has a sophomore from Brooklyn, N. Y., Paul Breslow. Recently, Coach Jackson compared this young speedster to Wake Forest's All-American Bill Scripture. Breslow can run like a deer and hits the ball with good power for only 5′7″.

Another infielder who will see a lot of action is Bill Franklin. Franklin, also known on the basketball court, has great speed and an excellent range in the field. Dennis Thompson will offer additional insurance in the infield. Thompson is a right-handed swinger from Anne Arundel, Md.

Behind the plate, the Terps have three fine receivers, Steve Sauve, and Bill Seidling. Sauve, another sophomore, has all the tools. Sauve from Mechanicburg, Pa., hit better than .400 for the baby Marylanders last season and is a fine defensive catcher. He will give the team that longball hitter they need.

Backing up Sauve will be junior Bill Seidling. Seidling hit .313 last season, and could see action in the otufield this year. Ken Zimmerman from nearby Beltsville, Md. rounds out the catching staff.

Now that we have met the infielders, we'll meet the Terp outfield. Six Terps, four right-handed and two left-handed hitters, will be vying for the three spots. Top contenders are Jim McMillan, Bob McCarthy, and Mike Long. MacMillan, a junior college transfer, is a left-handed slugger and resembles last year's sophomore sensation. McCarthy, recovered from a badly bruised hand and a cracked bone in his foot, displays excellent power and an aggressiveness which could boost the Terp attack. Long, a free-swinging junior from Cumberland, Md., has great ability, and is a veteran from last year's outfield.

Three other outfielders who will see a lot of action are Bob Isaacson from Washington, D. C.; Gus Scalafani, a good hit and run man from Stamford, Conn., and Joe Quattrocche, a senior from Baltimore.

As far as the pitching is concerned, it looks to be a bright spot for Maryland. This is the first time in Maryland Baseball History that five of the six top hurlers have been lefties. The five left handers, two juniors and three sophomores, will be trying to improve on last year's record of 10-9. Larry Butts of Baltimore and Chris Sole of Frederick, Md. will be the only veteran hurlers returning from last year's team. Sophomores Brad Frost of Beltsville, Md., Jerry Bark and Dick Wright of Baltimore round out the top five Terrapin moundsmen.

E. S. "JACK" JACKSON, Coach

Coach "Jack" Jackson will be starting his fifth baseball season this year at the University of Maryland. Since coming to Maryland in 1960-61, Jackson has made the Terps a definite contender to cop their first Atlantic Coast Conference championship in the school's history.

Jackson, a native of Baltimore, succeeded H. Burton Shipley who retired after 37 years with the University. Jackson has been associated with baseball at Maryland since 1955. As an undergraduate he assisted Shipley with the Maryland Varsity and in 1957 coached the Maryland Freshmen to a 9-1 record. Following his graduation, in 1958, he remained to work on his Masters and continued as an Assistant Coach of the Baseball squad.

Upon graduation from Patterson Park High School, Jackson signed with the Philadelphia Athletics as a shortstop. He remained in the Athletics farm system until 1952 when he entered the Army. While playing professional ball, Jackson made the Tobacco State League All-Star team in his first year. In 1949 he led the Central Association League Shortstops in fielding and 1950, while with Fayetteville in the Carolina league, tied the League record for assists by a shortstop in a single game.

H. L. "WHITEY" STEVENS, Asst. Coach

H. L. Stevens will be assisting Coach Jackson this season with the varsity and freshman teams.

"Whitey," as the boys call him, has been associated with baseball since 1924. He was born and raised in nearby Laurel, Md. where he got his start in baseball.

In 1927, he played his only year of professional ball with Easton of the Baltimore chain.

Since 1937, "Whitey" has been coaching. He has coached American Legion, Boy's Club, and various other sandlot teams. Probably one of his best teams was one he coached following World War II in Luxembourg. "Skinny" Brown of the Baltimore Orioles was a member of that team.

THE JACKSONIAN ERA

Jim Pitt - Second team All-American - 1964. Broke Tom Brown's record by hitting .460.
